Project Profiles

GlobalLogic Nagpur, India
Associate Consultant (Android Developer)   **April 2013 – Present**

Project # 1– Verizon FiOS TV Application   **October 2017 – Present**

There's live TV, premium channels, On Demand and your DVR content, too. With recommended watchlists, easy-to-find favorites and a smart and simple interface. You can take it to go, download to watch offline or stream data-free on Verizon Wireless. It's included with your Fios TV subscription.

Key Features :

- Watch hundreds of live TV channels at home and on the go, or thousands of movies and shows On Demand. With a visually beautiful and smart, full-screen video player.
- Easy access to your personal DVR recordings, On Demand purchases, downloads, bookmarks and more. Get recommendations for shows and movies you'll love.
- Easy to find your favorite entertainment. Search for shows, movies, actors, teams. Filter by genre, ratings, favorite channels and more.
- Manage your DVR, watch recordings or use the app to play them to your TV.
- Verizon Wireless customers stream data-free.
- Download the Fios TV app and start streaming as soon as you place your order.

Technology: Android, Java
Project Status: Ongoing

Project # 2– Verizon IPTV Application   **February 2016 – October 2017**

With the new platform, linear TV will shift to IP delivery, giving Verizon the ability to introduce new features more quickly and to stream content to virtually any Internet-connected device. The IPTV App would also provide backward compatibility to existing FiOS users.

Key Features :

- Watch live streaming TV channels from your device. Watch replays or start a TV Program over from an interactive menu
- Fast access to shows and On Demand Videos over the wifi anywhere and anytime
- Rewind the shows and On Demand Videos whenever you want
- Maintain separate profiles & Follow the Favorite contents on profile basis. Followed contents would be recorded for you. View Recorded contents on Mobile/Tablet and restore your Deleted Recordings.

Technology: Android, Java
Project Status: On Hold

Project # 3– Verizon FiOS Mobile Application   **April 2013 – April 2018**

Its Mobile application with select live streaming TV Channels, available now to watch anywhere both in home and out of your home! FiOS Mobile also offers Free and Subscription On Demand content, the ability to use your eligible device as a remote control to interact with your FiOS TV, remotely manage your DVR recordings, view TV listings, and access the entire On Demand catalog.

Key Features :

- Watch select live streaming TV channels from your device, anywhere in your home (* requires both FiOS TV and FiOS Internet service, as well as subscription to any of the channels you wish to watch) and in out of home
- Access your Free and Subscription (Flex View) content from anywhere, as well as the ability to browse the ever growing FiOS On Demand library of Movies and TV Shows for great movie deals and exciting new TV programs
- Manage your DVR recordings, check the status of your DVR, and schedule new recordings from anywhere (* requires a DVR). Also view Recorded contents on your Mobile/Tablet
- Use your mobile or tablet device as a remote control while in your home (*requires an HD set-top box)
- Access TV Listing Guide and add Favorites channels
- View Recently Watched videos, Bookmark and rate On Demand Contents

Technology: Android, Java
Project Status: Completed

Project # 4– Verizon FiOS Preview Application   **November 2014 – January 2015**

The FiOS Preview app from Verizon offers a selection of FiOS On Demand shows on Android smartphone or tablet for viewing entertainment. This sample of On Demand shows spans a variety of networks to watch at anytime, anywhere, without being a FiOS TV subscriber. The app also gives you access to informative videos about our FiOS TV service and allows you to check for availability in any area.

Key Features :

- Watch in home or on the go, on any WiFi, 3G or 4G LTE connected Android smartphone or Tablet
- Stream TV Shows from some of your favorite Networks
- Learn about great FiOS TV service through informative videos
- Check service availability of FiOS TV in your area and place order for FiOS service

Technology: Android, Java
Project Status: Completed

Project # 5– RedBox Instant (RBI) Application   August 2013 – October 2013

Redbox Instant makes available the newest releases at the Redbox kiosk, plus movies that subscribers can stream instantly. Turn on push notifications in your phone's settings to receive 1-day promo code for DVD Rental and receive newest movies & games, exclusive deals & more.

Key Features :

- App takes your Rental experience to a whole new level
- Find a box near where ever you're at. Look inside of it to see what DVDs, BluRays™, Discs and games are for rent. Reserve the discs for quick pick-up later that day
- Watch movie trailers, and search movies by name, release date and genre
- See what's coming soon, and sign up to get email reminders on the day they come to the box
- See a list of closest Redbox locations, and get driving directions to any box in the country

Technology: Android, Java
Project Status: Shut Down

InfoCepts Nagpur, India
Data Warehousing Associate   March 2012 - September 2012

Project # 1 – Skills Database Project   August 2012 – September 2012

The goal of this project was to load data coming from Excel worksheet into the SQL Server data warehouse using Informatica and creating reports in the target warehouse using Microstrategy and wrote custom SQL based on the requirements.

Objective:

- Understood Business Logic and the Data Warehouse Model and analyzed the source data
- Created source to target mapping and created Test Scripts/Test cases
- Created Informatica workflows to load data to the target Data Warehouse for both initial and incremental loads
- Generated reports using MicroStrategy Desktop and Tested reports on MicroStrategy Web

Education

Certification	College/School	University/Board	Year	CGPI / %age
B.E. (I.T)	S.S.C.E.T BHILAI	CSVTU	2010	8.83 / 80.17%
H.S.S.C.E	K.P.S BHILAI	C.B.S.E	2006	64.60%
H.S.C.E	K.P.S BHILAI	C.B.S.E	2004	72.60%

Completed BE on April 2010 (Honors)
